

“Having conducted almost 60 employee surveys with over 30 social care organisations, we appreciate the importance of identifying what influences engagement and acting on the feedback from employees. We are delighted to work with NCF to provide deeper insight into engagement and help organisations to improve performance and service in social care.”

Roger Parry, Director, Agenda Consulting

Social Care Employee Engagement Survey

An engagement survey for the Social Care Sector, developed in collaboration with NCF & VODG.

- Choose when to run your survey
- Compare results with others in the Sector
- Easy-to-read graphical reports
- Special package prices

Recent clients:

**The Royal Star
& Garter Homes**
Caring for the nation's military family since 1916

St Monica Trust

Social Care Reward Benchmarking Study

How do you attract people to work for you? A study of front-line staff pay and benefits packages across 9 English regions, Scotland, Wales, and Northern Ireland. FREE to join, as part of your NCF membership.

- Choose peers to benchmark against
- Compare own results with peers
- Receive the sector-wide report, and the report of NCF members only

We are a research consultancy helping not-for-profit organisations develop and sustain the highest levels of employee and volunteer engagement.
